Dear Sir or Madam:

This is a request for your office to investigate the improper campaign signs being placed in Panama City, Florida. These signs state "BOYD for CONGRESS/Democrat" with a disclaimer as follows: "PPA FRIENDS OF BOYD FOR CONGRESS".

These signs are campaigning for F. Allen Boyd, Jr., incumbent Congressman for Florida's District 2. When I called the FEC to see if there was a committee listed as 'Friends of Boyd for Congress', I was told that nothing could be found either independent of the 'Boyd for Congress Committee' or affiliated with it. I am quite sure that Mr. Boyd's office is aware of these signs being placed in Panama City, because when I called his Panama City office to inquire how I could help put them out, I was referred to a Dr. Windham who was helping to put them out.

These signs are improper and should be removed. Please handle this request as quickly as possible since the general election is in three weeks, on November 3rd.

Sincerely,

Suzanne Stein
